

At Living Faith, we are transitioning our food pantry ministry to best serve what we know our clients prefer. We are also moving forward in partnering with Interfaith Works to manage the county-funded portion of our pantry.

We are asking that you please focus and refine your donations to the following items:

- Boxed milk
- Cereal or Oatmeal
- Canned corn
- Canned peas
- Canned black beans
- Canned fruit
- Cooking oil

Because we are really honing in on what our clients want, we will be giving away other items that are donated to Manna. It would really benefit us at Living Faith, our clients, and our new partner at Interfaith Works if you focus your donations to the items listed above. We are so grateful for your continued support and pray for your congregation every Sunday in our Prayers of Intercession when we pray for the Food Pantry. Thank you and thank God for your ministry impact here!
